Official Institutions Directory

Zanzibar | Edition: 18 September 2026

An independent reference compiled by Discover Zanzibar from published government directories. It includes the institutional and public-service links in the reviewed President's Office list, supplemented by relevant authorities and Union institutions. It is not a statutory register of every public body. Ministry names follow the source directory and may change with government restructuring.

About this directory

35 institution and service entries. Government portals are listed separately from public bodies. Website links are clickable and open an external destination only when selected. This document itself is hosted by Discover Zanzibar. Inclusion does not imply an official partnership, endorsement or guaranteed access to a service.

Sources: President's Office Zanzibar, Useful Links; Zanzibar Revenue Authority, Related Partners and Links; individual authority websites. The government directory was available through its indexed public listing during compilation; direct retrieval timed out. Individual destination availability may vary.
